Customer Feedback / Comments:

"Do not buy it. What Adware Bot detects are fake. It is a fake/rogue program which tries to force their users to buy their fake program to remove the imagery detections." — Actual Consumer Comments from Yahoo Answers

"AdwareBot claims to be an antispyware solution. When the user scans his computer with AdwareBot hundreds of alleged problems will be found. If the user wants to fix this misidentified threads he has to purchase a licence. AdwareBot is in close relation to SpywareBOT, AdwareAlert and other malicious software." — Actual Consumer Comments from Spybot[dot]info Forums

"The product ...AdwareBot, is also considered to be rogue by several anti-virus companies. VirusTotal results:

- eSafe - suspicious Trojan/Worm
- Fortinet - Misc/AntiSpyware
- Kaspersky - FraudTool.Win32.AntiSpyware.e" — Actual Consumer Comments from SiteAdvisor[dot]de
